Hotel Overview & Location

Marco Polo is a boutique-style, family-run hotel situated on the sea front, in the very centre of the picturesque Gradac, part of the Makarska Riviera. Located in the heart of Dalmatia; between two airports Split & Dubrovnik. For all who are visiting us for the first time or those who are with us for the tenth time, there is always one magic feeling we want our guests and friends to sense, and that is „Home away from home“ Between two airports Split & Dubrovnik.

Room Details

All our rooms are tastefully decorated, with a genuine feeling for materials and quality in all the details with a lot of solid wood from Croatian forests and mild earth colours. Excellent mattress, exquisite bed linens and wooden floor create a warm homefeeling with lot of natural light and romantic hidden lamps after sunset. All rooms are Non smoking – (smoking on balcony possible). Half Rooms are designed in modern furniture and half in classic Biedermeier style furniture.

Nicolo Polo Restaurant & Vine Bar

The food is served in a warm and tasteful atmosphere on open air terraces, with candle and moonlight, live music and attentive and educated staff. In early spring or late fall when weather not allows the cosy interior of solid olive and walnut tree and Dalmatian white stone creates a warm and authentic ambience and again with an ever-ending sea view.
